

Mari State University

## YOUNG RESEARCHER: CHALLENGES AND PROSPECTS

### DEAR COLLEAGUES!

Mari State University is inviting you to take part in the **SCIENTIFIC CONFERENCE «YOUNG RESEARCHER: CHALLENGES AND PROSPECTS»** that will be held on **February 8, 2022**.

The Conference will include the following **sections**:

- SECTION 1. Natural and Technical Sciences
- SECTION 2. Social Sciences and Humanities
- SECTION 3. Biomedical Sciences

*Conference participants:* students, postgraduates, researchers, university professors.

*Working language of the conference:* English.

*Conference format:* offline.

If you wish to take part in the conference, please fill the electronic form **until February 2, 2022** (including): <https://forms.gle/CuxY3Pfv7AzaUuYk7>.

**For your information:** sending your work to the Organizing Committee and filling the registration form for conference participants, you give your consent for personal data processing. Data included into the application form are used to complete conference documents, issue certificates and compose the proceedings.

The Organizing Committee shall invite the selected participants not later than 3 days before the beginning of the conference.

The conference will include **the competition «Best Scientific Report»**. Winners will be chosen by the assessment results of section participants via open ballot. They will get winner's certificates.

Best reports will be recommended for publication in the scientific journal of the Mari State University «Young Researcher: from Idea to Project».

**PARTICIPATION IS FREE.**

For more information please refer to the **Organizing Committee** by email [nauka@marsu.ru](mailto:nauka@marsu.ru) or phone +7 (8362) 68-80-17.
